

## Primary Contract Removal Protocol

In the name of my I AM presence  
In the name of my Soul  
In the name of all Light Forces  
I cancel and nullify  
All my past agreements and contracts  
With the Dark Forces  
All those contracts are now null and void  
Regardless of their content  
Regardless of my subconscious programming  
With my Free Will  
I now declare myself free from all those contracts  
And from all influences of the Dark Forces  
I now decree and I command full conscious operation  
Between myself and the Light Forces  
I now decree and I command that my life is guided  
In full alignment with the Divine Plan  
I decree and I command miracles to be manifested in my life  
In a way that will manifest happiness for me  
And everybody involved  
So be it and so it is.

## **PLEA TO THE LIGHT FORCES FOR HELP**

**I call on the Light Forces to bring justice and healing to the situation on Earth.**

**I call upon the Pleadians, Arcturians, Sirians, The Agarthans.**

**Enough is enough.**

**We, humanity, ask for physical intervention.**

**And we pray for your safety, protection and success.**

**So be it and so it is!**

**DIVINE LOVE AND DIVINE ORDER ARE FLOWING IN MY LIFE NOW.**

**Where we go one, we go all.**
