

Decrees for Safety and Protection

Making the Call that Sets My World in Divine Order

“Beloved Mighty I AM Presence,” blaze your mighty Tube of Invincible Light around me, my home, my car and every aspect of my life. Fill It with Your Invincible Purity, Your Invincible Eternal Fiery Truth of everything I want to know and the Invincible Cosmic Sacred Flame of Divine Love. Fill me with the Full Power of the Ascended Masters’ Cosmic Flame of Divine Love and Illumination, down to the smallest atom of my being.

Fill me with the Invincible Cosmic Powers of the Sacred Fire from the Great Central Sun. Blaze through me Your Mighty Cosmic Violet Flame. Consume all limitations within my world and every mistake that I have ever done. Replace them with divine Purity, Love, Light, Perfection and all of the Sacred Flames.

Consume all my discordant creations and the discordant creations of others around me. Blaze the Cosmic Violet Flame into every aspect of Nature that I have harmed in any time, space or dimension in the past, present or future. I ask for the healing of all Nature.

“Mighty I AM Presence,” charge my mind and bodies with Your Mighty Energy, Strength, Courage, Divine Victory and Opulence. Charge every aspect of my being and world with Your Perfection. Bring this body into Your Perfect Symmetry. Charge me with the Power of the Cosmic Divine Love so that I may safely and firmly move forward into the use of the greater Powers without interruption.

Fill me with Your Invincible Solution to every problem in my life. I ask for Sacred Fire Control of myself and everything in my life. I command the Divine plan fulfilled in my world. (This shows us the way out of limitation. It becomes an infallible way and means of avoiding the limitations and struggles that have bound us in the past.)

Fill me with the Ascended Master Consciousness and lead me to my ascension now. (Someday, we will stand alone with our I AM Presence and know all of its Mastery and Power. It is a point of wisdom to allow that Mastery and Power to flow through our human form to give service to Life while we are still here. It is a point of wisdom to allow that Mastery in our life so that we can create the life that we choose for our highest and best good here, now and always.)

“Mighty I AM Presence,” be with me as I live this day. Walk this Earth with me and see that I fulfill my Divine Plan. Hold me in Your Heart and make me all that You are. (As I live within the arms of my I AM Presence, its Power will conquer my problems.) I AM the Heart and the Mind of the Mighty I AM.

I call in the Sword of Blue Flame that keep me cut free forever from all that I have ever sent out in this and all embodiments.

I call in the Triple Archangel Shield to totally surround me and every aspect of my life. I ask for the Archangels’ Blessing in every aspect of my life.

I ask for the Triple Arcturian Shield to completely protect me and every aspect of my life. I ask this for all constructive people, lifeforms, places, buildings, technology and businesses.

I ask for the most benevolent outcome for all constructive lifeforms. And I ask that the Violet Flame completely saturate the Earth.

“Benevolent Mighty I AM Presence,” and K-17, keep me, my loved ones and all my activities surrounded with a wall of Blue Flame and the Cosmic Blue Lightning both within my Tube of Light and outside of it. Guard and protect me and all I call forth, forever. Blaze a Ring of Blue Flame around me for greater protection.

I ask K-17 to send a million God Warriors, if needed, to completely surround me, my home, business, car and everything in my life, so that I cannot be seen, heard, felt or smelt by anything of the dark, in any of its forms in any time, level, space, dimension, kingdom and realm in the past, present or future, in between and in parallel lives. I ask for this Protection so that I can thrive in Divine Light and Love.

“Benevolent Mighty I AM Presence,” and Ascended Masters, seal me in Your Great Transfiguration Flame and in a Mighty Pillar of Living Violet Fire, forever sustained. Lead me to my Ascension. Project Your Cross of White Fire, before me and behind me until I am completely free.

Beloved Queen of Light, blaze the rhythmic release of you Cosmic Light Substance and clothe me in the Cosmic Light Substance of the Cosmic Christ, as of a Thousand Suns.

Beloved God and Goddess of Purity, seal me in the Cosmic purity forever. Ascended Masters, charge the Flame, substance, Essence and Miracles from you Hearts through every cell of my mind and bodies and make me as pure as the Heart of the Great Central Sun, for eternity.

Mighty Elohim, fill me with the 7 Fold Flame of Cosmic Illumination. I also call in the 7 Fold Flame of Cosmic Illumination into the brain of all humans and animals. Seal me in the Star of Gold and Divine Victory.

Fill my Tube of Light with all of the Sacred Flames that become revolving discs of Light, if needed and have Them repair and heal every aspect of myself so that I once again live in the Cosmic Divine Blueprint, with which I was created.

Clothe me in a Mantle of the Sacred Flames and the Crown of the Seven Elohim. Fan the Threefold Flame within my heat so that I again stand within It.

I ask the Angels of the Sacred Flames to walk with me this day and bring as much Light and Love as possible into my life and all of Nature. Bless and heal all the Powers of Nature and the Beings of the Elements.

I ask for a thousand times more impenetrable shields of Light and Love, as I go through my day.

I draw in all the Light and Light Substance from the Great Central Sun that I need and desire and more.

I ask for all the blessings that my I AM Presence wishes to give me and I ask for the blessings of the Cosmic Beings of Devine Light and Love.

For all of this, I give my deepest gratitude.

And so it is. Almighty I AM. Aho, Aho, Aho. *

*“Aho” is a Native American affirmation of spoken truth, an expression of empathy and understanding, frequently said at the end of a prayer.
